539	3/7	Nexen Exploration Norge AS RWE Dea Norge AS Dana Petroleum Norway AS Petro-Canada Norge AS	O P P P	40 20 20 20	Acquisition of 250 sq km 3D-seismic. Within 3 years from award, decide to drill one exploration well or drop. Within 5 years from award, drill exploration well and decide on Continuation, or drop. Within 7 years from award, submit PDO.
540	3/6	Norwegian Energy Company ASA Dong E&P Norge AS	O P	50 50	Reprocess 3D seismic. Within 1 year from award, decide to drill one exploration well or drop. Within 3 years from award, drill exploration well and decide on Continuation, or drop. Within 5 years from award submit PDO.
541	4/4	Repsol Exploration Norge AS Skagen 44 AS Edison International Norway Branch	O P P	50 15 35	Reprocess 3D seismic. Within 2 years from award, decide to drill one exploration well or drop. Within 4 years from award, drill exploration well and decide on Continuation, or drop. Within 6 years from award, submit PDO.
542	2/1	Det norske oljeselskap ASA Spring Energy Norway AS	O P	60 40	Acquire 3D-seismic, G&G studies. Within 2 years from award, decide to drill one exploration well or drop. Within 4 years from award, drill exploration well and decide on Continuation, or drop. Within 5 years from award, submit PDO.
331 C	2/1	ConocoPhillips Skandinavia AS Bayerngas Norge AS Statoil Petroleum AS Petoro AS	O P P P	30 10 40 20	Work obligations: as for PL 331
497 B	7/8,11	Det norske oljeselskap ASA Bridge Energy AS Lotos Exploration and Production Norge AS Dana Petroleum Norway AS	O P P P	35 30 10 25	Work obligations: as for PL 497
543	16/7	Statoil Petroleum AS ExxonMobil Exploration & Production Norway AS	O P	50 50	G&G studies. Within 2 years from award, decide to drill one exploration well into Triassic, inside new acreage or inside PL 072B, or drop. Within 4 years from award, drill well and decide on Continuation, or drop. Within 6 years from award, submit PDO.
544	16/4	Lundin Norway AS Bayerngas Norge AS	O P	70 30	G&G studies, and drill one firm exploration well into Triassic. Within 3 years from award, decide on Continuation or drop. Within 5 years from award, submit PDO.
545	17/2,3,5,6	Norwegian Energy Company ASA Spring Energy Norway AS Petoro AS	O P P	50 30 20	Drill one firm exploration well within 2 years from award. Within 2 years from award, decide on acquisition of 3D-seismic, or drop. Within 5 years from award, acquire 3D-seismic and decide to drill a second exploration well, or drop. Within 7 years from award, drill well and decide on Continuation, or drop. Within 9 years from award, submit PDO.
546	25/11, 12	Lundin Norway AS Bayerngas Norge AS	O P	60 40	Acquisition of 3D seismic, G&G studies. Within 2 years from award, decide to drill one exploration well or drop. Within 4 years from award, drill exploration well and decide on Continuation, or drop. Within 6 years from award, submit PDO.
169 D	25/11, 12	Statoil Petroleum AS ExxonMobil Exploration & Production Norway AS Petoro AS	O P P	57 13 30	Work obligations: As for PL 169
340 BS	24/9 <i>Stratigraphically divided, applies to all levels above top Cretaceous</i>	Marathon Petroleum Norge AS Lundin Norway AS ConocoPhillips Skandinavia AS	O P P	65 15 20	Work obligations: As for PL340
547 S	25/7 <i>Stratigraphically divided, applies to all levels below top Cretaceous</i>	Marathon Petroleum Norge AS GDF SUEZ E&P Norge AS Lundin Norway AS VNG Norge AS	O P P P	40 10 30 20	G&G studies, reprocess 3D seismic. Within 2 years from award, decide to drill one exploration well or drop. Within 4 years from award, drill exploration well and decide on Continuation, or drop. Within 6 years from award, submit PDO.
504 BS	25/7 <i>Stratigraphically divided, applies to all levels above top Cretaceous</i>	Det norske oljeselskap ASA Bridge Energy AS Dana Petroleum Norway AS Petoro AS	O P P P	58,5 8,5 30 3	Work obligations: as PL 504

548 S	24/9, 25/7 <i>Stratigraphically divided, applies to all levels above top Cretaceous</i>	Det norske oljeselskap ASA	O	40	Reprocess 3D-seismic. Within 2 years from award, decide to drill one exploration well or drop. Within 4 years from award, drill exploration well and decide on Continuation, or drop. Within 6 years from award, submit PDO.
		Bridge Energy AS	P	30	
		Dana Petroleum Norway AS	P	30	
505 BS	25/7 <i>Stratigraphically divided, applies to all levels below top Cretaceous</i>	Marathon Petroleum Norge AS	O	50	Work obligations: As for PL505
		Lundin Norway AS	P	30	
		VNG Norge AS	P	20	
549 S	25/1, 30/10 <i>Stratigraphically divided, applies to all levels below top Cretaceous</i>	Det norske oljeselskap ASA	O	35	Acquisition of 3D-seismic, G&G studies. Within 3 years from award, decide to drill one exploration well or drop. Within 6 years from award, drill exploration well and decide on Continuation, or drop. Within 8 years from award, submit PDO.
		Bayerngas Norge AS	P	20	
		Dana Petroleum Norway AS	P	20	
		Svenska Petroleum Exploration AS	P	25	
550	31/1,2	Wintershall Norge ASA	O	60	Reprocess 3D seismic, G&G studies. Within 2 years from award, decide to drill one exploration well or drop. Within 4 years from award, drill exploration well and decide on Continuation, or drop. Within 6 years from award, submit PDO.
		Spring Energy Norway AS	P	40	
551	31/2,3	Wintershall Norge ASA	O	60	Reprocess 3D seismic, G&G studies. Within 2 years from award, decide to drill one exploration well or drop. Within 4 years from award, drill exploration well and decide on Continuation, or drop. Within 6 years from award, submit PDO.
		Spring Energy Norway AS	P	40	
090 E	31/2	Statoil Petroleum AS	O	45	Work obligations: As for PL 090
		GDF SUEZ E&P Norge AS	P	15	
		Idemitsu Petroleum Norge AS	P	15	
		ExxonMobil Exploration & Production Norway AS	P	25	
552	34/7	Statoil Petroleum AS	O	53,896	Within 2 years from award, drill one firm exploration well into the Brent group in Jurassic. Within 2 years from award, decide on Continuation or drop. Within 4 years from award, submit PDO.
		Idemitsu Petroleum Norge AS	P	12,468	
		RWE Dea Norge AS	P	3,636	
		Petoro AS	P	30,000	
553	34/7,8	Det norske oljeselskap ASA	O	40	G&G studies. Within 1 year from award, decide to drill one exploration well into the Brent group, or drop. Within 3 years from award, drill exploration well and decide on Continuation, or drop. Within 5 years from award, submit PDO.
		Svenska Petroleum Exploration AS	P	35	
		Bayerngas Norge AS	P	25	
554	34/6	Bridge Energy AS	O	60	Acquire 3D seismic, G&G studies Within 1 year from award, decide to drill one exploration well or drop. Within 3 years from award, drill exploration well and decide on Continuation, or drop. Within 5 years from award, submit PDO.
		Det norske oljeselskap ASA	P	40	
423 BS	35/1 <i>Stratigraphically divided, applies to all levels below base Pliocene</i>	GDF SUEZ E&P Norge AS	O	30	Work obligations: As for PL 423 S
		Statoil Petroleum AS	P	25
